Litter Overall:

The Candee litter over all is fairly confident and self-assured. A few puppies needed some time to adjust in new situations. They are appropriately social with other dogs and one another. They were tolerant to situations that would be normally considered stressful showing little to no stress. They showed very little stress in new situations and around new people. They didn't show stress and adjusted very well on their own. This litter has good focus, memory and problem-solving abilities. They also have good motivations for food, toys and interaction. The litter is appropriately social with interactions and with people. They are rarely vocal. They rarely use their mouth. They are very comfortable and tolerant for handling and restraint. This litter has no red flags. They show no possessiveness.

Individual Notes:

Candee Green has moderate energy. He is very confident and outgoing. He is self-assured and happy to explore and play on his own. He is very curious and wants to check out and explore most anything. He is personable, interactive and comes with handling. He is very playful, curious and motivated by food, toys and interaction. He has no extremes in temperament but would be well-suited in a home that needs a more independent puppy.

Health notes:

Green has no health notes.
