Litter Overall:

The Candee litter over all is fairly confident and self-assured. A few puppies needed some time to adjust in new situations. They are appropriately social with other dogs and one another. They were tolerant to situations that would be normally considered stressful showing little to no stress. They showed very little stress in new situations and around new people. They didn't show stress and adjusted very well on their own. This litter has good focus, memory and problem-solving abilities. They also have good motivations for food, toys and interaction. The litter is appropriately social with interactions and with people. They are rarely vocal. They rarely use their mouth. They are very comfortable and tolerant for handling and restraint. This litter has no red flags. They show no possessiveness.

Individual Notes:

Candee Pink has moderate energy. She is confident, self-assured and happy to explore and play on her own. She is very playful and curious. She can be a bit vocal while playing but it is not inappropriate at her age. She is personable, interactive and motivated by food, toys and interaction. She has no extremes in temperament and would be well-suited in most in the home.

Health notes:

Pink has no health notes.
