Litter Overall:

The Ina litter overall is confident and self-assured. They show no stress in new situations or around new people that are typically considered stressful. They are curious and investigative with new sights and sounds. This litter overall has good focus, memory and problem-solving abilities. They have good motivations for interaction, food and good interest in toys. This litter is socially appropriate in their interactions with people, rarely being vocal. They also have very good bite inhibition and rarely use their mouth to play. This litter has no red flags and shows no possessiveness. They are very well-balanced and very consistent puppy to puppy.

Individual Notes:

Ina Blue Dot has mid-level energy. He is well-balanced and has no extremes in temperament. He would be well-suited in most any home. He is confident, self-assured and content to explore and play on his own. He's personable and very gentle. He is playful, curious and motivated by food, interaction and toys.

Health notes:

Ina Blue Dot has no health notes.
